

the references or merely to...I guess that is not required by federal statute, but we have got to make some sense out of the statutes on definition, and otherwise I don't know of any other changes that aren't required by the federal government in this bill.

SENATOR BEUTLER: Okay, so there is nothing to debate here really.

SENATOR WESELY: I don't think so.

SENATOR BEUTLER: All right, we will rely on you.

SENATOR WESELY: Oh, that's nice. Thank you.

SPEAKER NICHOL: Senator Hartnett, did you wish to speak again? Okay. Senator Wesely, would you like to close, please.

SENATOR WESELY: Yes, I would. Senator Hannibal suggests now that we have taken care of mobile homes and called them manufactured homes, tents are going to be called mobile homes and then we will move on from there. It is kind of...it seems silly, I know that, and the bill is not one that perhaps makes a lot of sense, but we must do it and if we don't do it, it screws up our manufactured housing unit people in the state and the federal government has made this change to get some uniformity across the country and it is a bill that needs to be passed. So I ask your support in advancing it.

SPEAKER NICHOL: The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays on the motion to advance the bill, Mr. President.

SPEAKER NICHOL: The bill advances. LB 486.
